
Experiments:

- A Auger
- AP AugerPrime
- T TA
- T4 TAx4
- I IceCube
- I2 IceCube Gen2
- GR GRAND
- GC GCOS
- P POEMMA

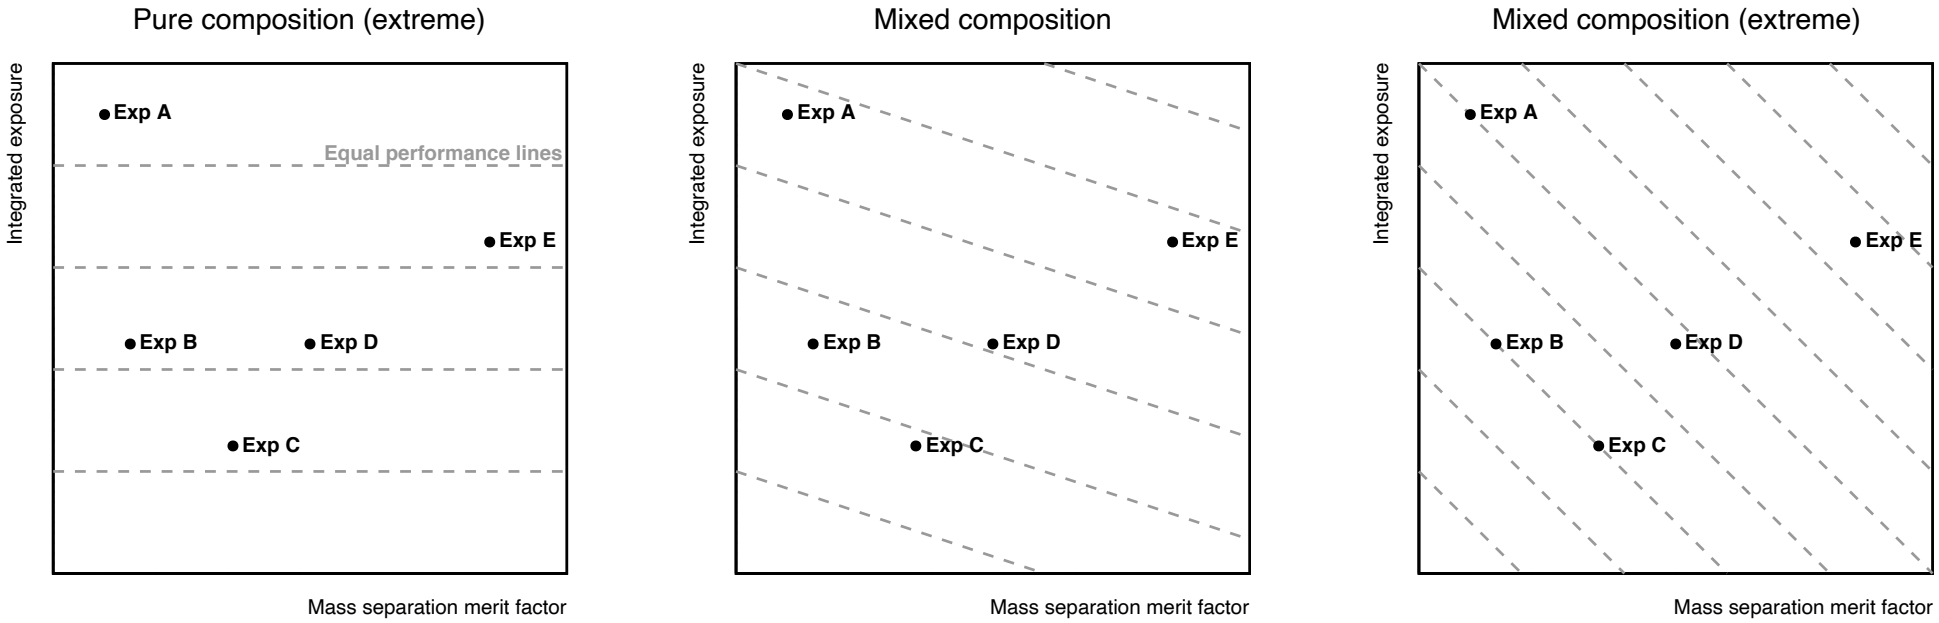
Articulating the white paper

Preliminary

The complete picture?

- UHECRs observables and Goals
- Adding related fields
- Draw the connections
- Identifying the strategies and where experiments (will) contribute

Exposure / Mass Resolution (concept plot)



Very Preliminary
